

Press Release from Dutch Growers- Plant it Pink Check Presentation Friday Oct. 22nd at 10:30am

Carson Van Duyvendyk will be presenting a check to the Breast Assessment Centre Friday morning at 10:30am. Carson initiated his Plant it Pink Fundraiser when his Aunt and Grandmother were diagnosed with cancer.

In its 4th season Carson's Colours has raised \$9000 bringing his 4 year total to over \$30,000 for local breast cancer organizations.

Funds from the Pink Pots have all stayed in the community so all the processed from the pink pots impact women right here in Saskatchewan- funds have gone towards support kits for newly diagnosed breast cancer patients and, most recently specialized gowns for in hospital treatment.

As a small, family run business we are extremely proud of our sons initiative with this program and would love to be able to share the success with the community and to have the opportunity to let the supporters of this fundraiser know how much was raised and what the funds have gone to. More info can be found our website www.dutchgrowers.net in the Carson's colours section

Sincere, Karen Van Duyvendyk on behalf of Carson Van Duyvendyk
